

CDC Recruitment for International Assignments

The **CDC National Immunization Program's Global Immunization Division (GID)** and the **National Center for HIV,STD and TB Prevention's Global AIDS Program (GAP)** are recruiting medical officers, epidemiologists, public health advisors, behavioral scientists and other health professionals with public health experience for permanent positions and term appointments. A WEB/NET Recruitment Conference is scheduled for Thursday, March 30, 2006 beginning at 1:30 p.m. EST. You may log on to the conference link via the Internet from any computer.

If you would like to join the conference, please go to <https://www.mymeetings.com/nc/join/> Enter conference number PG1586825 and audience passcode, SWILSON. Audio access 1-888-791-1856, and passcode SWILSON.

During the conference you will learn about the programs and opportunities for CDC employment and placement in a variety of international locations and with partner organizations, e.g. WHO, UNICEF. You will receive guidance on navigating through the CDC application process and you will also have the opportunity to ask questions of program leaders.
